# **One More Ride**

#### Johnny Cash

### Α

1. I long for a trip, I don't need no grip, I'm takin' one more ride D 'Way out there in the prarie air I guess it's in my hide

#### A

Oh, the clickety clack of the railroad track **E7** is callin' **A** 

If a man could know where the Santa Fe goes when she gets under steam

#### D

And the big round bell that bongs farewell Could hear her whistle scream A He's bound to go E7 where there ain't no snow A a-fallin'

One more ride, one more ride

2. I miss the gloom of the prarie moon that seemed to know my name and the tumbleweed where the prarie dog feed, I miss them just the same

They're all a part of my song at heart I'm singin' I recall a tune that I sang to the moon and it seemed to make it smile

And I rode away at the close of day and I stayed so long, awhile But I long to be where the memory is ringin'

One more ride, one more ride

 As the years go by, I wonder why I long to leave my home And I hit the trail of the iron rail away out there alone

But my heart just sighed 'till I know that I am leavin' If I don't come back on a one-way track way down from Mexico

You can find me there or any old where that a tumbleweed will grow It's goodbye now, you'll never know how I'm grievin'

One more ride, one more ride
