Em 1. Go on, girl, take your chances **A**7 See how long you can go on from man to man I can read the lines between your stolen glances **A**7 And I know it's time to fold this losing hand 'Cause you're drawn to the flame By the thrill and the shame Of the cheating game they taught you how to play B7 Em C G You've got nothing to lose but your soul girl And you've still got the devil to pay D D7 R: You've been flying so high you don't know that you're blind to the D G writing- on the wall D7 But someday you'll look down & you'll find you've got no place to fall When the bright lights are gone G You'll be standing alone С Forsaken in the naked light of day в7 G Then you'll know that it's all over but the dying And you've still got the devil to pay. 2. Join your friends, while you got 'em 'Cause you know you're getting fewer every day You can't wait to let them take you to the bottom And I'm getting tired of standing in your way But when you hit the ground Don't go lookin' around For the pieces of the love you threw away That's the price of the high life you're livin' And you've still got the devil to pay.

R: You've been flying so high you don't know...
