

## It Hurts

Johnny Drille

Have you ever been In love but end up messing it up  
Omo that shit hurts so bad it hurts so bad  
When you come realize say you let a good one go  
Omo that shit hurts so bad  
It hurts so bad  
It hurts so bad  
On God  
Have you ever been In love but end up messing it up  
That shit hurts so bad  
It hurts so bad  
When you come realize say you let the good one go  
Omo that shit hurt so bad  
It hurts so bad  
It hurts so bad  
On God  
Of course it hurts so bad  
It hurts so bad  
It hurts so bad  
On God

E dey pain me for my chest  
You were my lover and my friend  
Now it's all come to an end  
E dey pain me die  
See I no fit forget  
Cause it was too real what we shared  
Is it too late to say that I'm sorry

I no know how I go come fuck up like this o  
I dey cry, I dey beg make you come forgive o  
Baby give me your love again  
Oh Aduke, Aduke mi oo  
Ololufe da mi lowun jowo  
And I go treat you better oloun hmm

Have you ever been In love and end up messing it up  
Omo that shit hurts so bad it hurts so bad  
When you come realize say you let a good one go  
Omo that shit hurts so bad  
It hurts so bad  
It hurts so bad  
On God  
Of course shit hurts so bad  
It hurts so bad  
It hurts so bad  
On God  
Have you ever been In love but end up messing it up  
That shit hurts so bad on God  
When you come realize say you let a good one go  
Omo that shit hurts so bad on God  
That shit hurts so bad  
It hurts so bad  
It hurts so bad  
On God
