

Journey Of Our Lives

Johnny Drille

I have been looking
For you all of my days (all of my days)
Pull me out the river
I'm washing away, take me away
If you need me there
Just say the words
And I'd be on my way (I'm on my way)
And I'm gonna stay
I give you my word
Oh my love don't be afraid
You've got all of my days

I'm wasting no more time
No not for another minute
I'm for the finish line
Steady on my mind
Tell me you're ready for the ride
Down for the journey of our lives

We don't need a reason
We're gonna gonna love
Cause we wanna wanna love ooh
We don't need a reason
We're gonna gonna love
Cause we wanna wanna love
We just wanna love yeah

What you found in me
No man can see
Girl on my oath
My world is yours
You know it is that deep
When I swim the sea
Just to show you
That I'm sure it's you
I'm wasting no more time
No not another minute
I'm for the finish line
Steady on my mind
Tell me you're ready for the ride
Down for the journey of our lives

We don't need a reason
Yeah we gonna gonna love
Cause we wanna wanna love
We don't need a reason
Yeah we gonna gonna love
Cause we wanna wanna love
We just wanna love yeah

We don't need a reason
Yeah we gonna gonna love
Cause we wanna wanna love
We don't need a reason
We gonna gonna love
Cause we wanna wanna love (we wanna love)
We just wanna love yeah
