

Girl you make me complete
Everything that I need
I know I gave you trauma
But you still there for me
Girl I can guarantee
I'll get down on my knee
So you know you're the one my dear, only one

For the rest of our lives, you, I
Gonna love till the end of time
For the rest of my life girl, I need you

I go fit die for your love
I don't wait for your door
I want to make you my odo, odo, Ogo
I go fit die for your love
I go to sleep for your door
Until you give me my odo, odo, Ogo
(I go fit die)

Girl do something for me
Promise you'll never leave
I know I gave you drama
But you still ride for me
Tell me what do you need?
Take my password and keys
Buy a Porsche and a Wrangler
Anything for my queen

And I'll go anywhere you wanna
From Paris to Rwanda
You know that I'm gonna love you forever

But I go fit die for your love
I don't wait for your door
I want to make you my odo, odo, Ogo
I go fit die for your love
I go to sleep for your door
Until you make me your odo, odo, Ogo
I go fit die for your love

Be my Odo
Be my Odo

Be my Odo
Be my Odo
Be my Odo
Be my Odo
Be my Odo
Be my Odo
