(Na na na na na...)

Ten over ten I dey over calculate  
I dey pray and fast I dey meditate  
Another kasala every other day  
Coolu my temperature e don dey raise

Rain on me  
Father in heaven have mercy on me  
Open heaven and rain on me  
Shame my enemies wey no believe  
Shadow me  
Many thing wey my eye don see  
I cannot tell all the wolves from sheep  
Shame the enemies wey no believe

See palava  
(Yo yo yo yo)  
Dem no wan see pesin go farther  
(Yo yo yo yo)  
If you be bad belle your fada  
(Yo yo yo yo)  
This wan e don dey pass wahala  
(Yo yo yo yo)  
Hmmm

(Dey play)  
Dem must to halla my name  
(Dey play)  
All the blessings dey come my way  
I go get money like Dangote  
Last last when dem see me dem go shout ekwe

Fada Fada  
You know say I dey loyal  
Oh make Your favour come my way  
Holy Fada

See palava  
(Yo yo yo yo)  
Dem no wan see pesin go farther  
(Yo yo yo yo)  
If you be bad belle your fada  
(Yo yo yo yo)  
This wan e don dey pass wahala  
(Yo yo yo yo)  
See me see palava  
(Yo yo yo yo)  
Dem no wan see pesin go farther  
(Yo yo yo yo)  
If you be bad belle your fada  
(Yo yo yo yo)  
This wan e don dey pass wahala  
(Yo yo yo yo)  
See me see wahala

One day I know I go make am  
So I no dey bother ah  
One day  
Some day
