

4 U Alone

Johnny Gill

I would die, for you alone
My life wouldn't mean a thing
Like a night and day has gone away
If you are not around, my love life to me
Is emptiness the most lonely could be (Lonely could be)

Girl, let's celebrate
Non-imaginary things
'Cause if I keep it real with you
We'll know all of the joy life brings
So when you talk to me
Look right in my eyes just like we're making love
I'll protect you my life long with no compromise

I would die, (Girl, I would die) for you alone (For you alone)
My life wouldn't mean a thing (Oh oh yeah)
Like a night the day has gone away
If you are not around, my love life to me
Is emptiness the most lonely could be (Lonely could be)

Girl, it's guaranteed, yeah, that I would never front on you
And girl, if I'm going out, please pull my coattails on
I'm bringing the bacon home, baby, I'm frying it up for you
You won't care in the world if you don't want to
And if I could, I would breathe for you

I would die (I would die), for you alone (For you alone)
My life wouldn't mean a thing (Oh no)
Like a night the day has gone away (Day has gone away)
If you are not around, my love life to me (Oh oh yeah)
Is emptiness the most lonely can be (Lonely can be)

Girl, don't you ever change
Just stay the way that you are
Just call me with your sexy voice
No matter near or far (Near or far)
Having all those other girls for me is not the way
I'm so satisfied with you
You're the glory of my night and of my day

I would die (Oh oh), for you alone (For you alone)
My life wouldn't mean a thing
Like a night the day has gone away
If you are not around, my love life to me
Is emptiness the most lonely could be (Lonely could be)

Don't you ever change
Just stay the way you are
Just call me with your sexy voice
No matter, no matter near or far (Near or far)
Having all those other girls for me is not the way
I'm so satisfied with you
You're the glory of my night and of my day

La la la (La la la la la la)
La la la la la (La la la la la la)
La la la la la (I would die)

La la la la la (For you alone)
La la la la la la do do do do
La la la la la la la la la
