

Because of You

Johnny Gill

Your love goes with me
it surrounds me
everywhere that i go
no matter where you are
your heart is here with me

I wanna tell you
that i'm with
you tonight

Though you're not here
i can see that lovely
smile on your face

And feel the touch of you
and though i'm missing you
i'll make it through one more day

Because of you
there is nothing
i can't do
and each test
life puts me through
i'll get by
because of you

with you on my soul
i am free to try and climb
every mountain i can find
i have seen love at its best
because of you

You make love
you take pleasure in
each thing that i do

You give unselfishly
and the gift you
give is you

I'm gonna dedicate
the rest of my life
giving back to you
all the trust and faith
that you've given me

I've learned so much from you
to show my gratitude
i'll be the best for you
i can be

Because of you
there is nothing
i can't do
and each test
life puts me through
i'll get by

because of you

with you on my soul
i am free to try and climb
every moutain i can find
i have seen love at its best
because of you
