

Behind Closed Doors

Johnny Gill

Oh Wahooo Baby
When I woke up this morning
I had you on my mind
And just like the sun, my loving was on the rise oooh
When I get you alone, I don't have no sense of time, oooooh yeah
So we can roll around and waste the day hee heeeee
Behind closed doors

When we get together I'm about what ever girl
Behind closed doors
Anything you need I'm just here to please you,babe
Behind closed doors
I control the camera, you can be the dancer, girl

Behind closed doors, yeah
Behind closed doors
I'll have you saying oohhoo huh baby
Behind closed doors yea

Behind closed doors
Closed doors [faded]

Ain't no where I rather be
So let it come down, just I'm drowning in your ocean, let it rain for you and me
Oh girl,let me be your number 1

Lose your clothes and leave them on heeeeeeeee
