

Bring It On

Johnny Gill

Hahahaha (Ha)
Yeah, ah yeah, it's on
Won't you pour that wine for me

Freak is on, so bring it on, bring it on
Let's get it on, so bring it on, bring it on
(Listen)

Said the night is so young, and girl, you look so ready
To get down to what we've come to do, oh girl
Said I'm down for whatever, ah, so what you wanna do, baby?
You just bring your body on over
Girl, I know and I know

Freak is on, so bring it on, bring it on
Let's get it on (Ah, let's get on), so bring it on, bring it on

And your body's so hot, I can taste it in the air
So won't you tell me if you're ready to love, yeah, oh, oh, oh, oh
Said I'm down for whatever, said that I'm down
Said it's all up to you what you wanna do, baby
You just bring your body on over
Girl, I feel, said I know your freak is on

Freak is on (It's on, it's on, it's on, it's on)
So bring it on, bring it on (Come on)
Let's get it on (Yeah, oh), so bring it on, bring it on
(Yeah, yeah)

Do you like that?
Ah yeah, ha
How 'bout right here? Feel me, baby
Mmm, yeah, I wanna just keep it right there, ah
How about right here? You like that? Oh, Johnny
Ah nah, we gon' take our time, make this last
We're just gon' take it slow, yeah, gon' keep it right there
Hey, oh, oh, oh, oh

(Bring it on) Said I'm ready, said I'm ready, ha
(You can have what you want) You see, anything that you want
(Baby, bring it on) Anything that you need
(Bring it on)
I want you to know that I'm gonna give it to you right now

Freak is on (I'm gonna make you feel real good, feel real good)
So bring it on, bring it on
Let's get it on (Bring it on, come on)
So bring it on, bring it on (Yeah, oh, oh, oh-ho-ho-ho)

And in return, I'm gonna give you what you need (Bring it on)
All you gotta do is just bring it on right here to me
(Freak is on) Come on (So, bring it on)
You know what? I wanna lay you down (Bring it on)
