

Can You Stand The Rain

Johnny Gill

On a perfect day, I know that I can count on you
When that's not possible, tell me, can you weather a storm?
'Cause I need somebody who will stand by me
Through the good times and bad times
She would always, always be right there

Sunny days, everybody loves them
Tell me, baby, can you stand the rain?
Storms will come, this we know for sure
Can you stand the rain?

Love unconditional, I'm not asking just of you
We've got to make it last, I'll do whatever needs to be done
But I need somebody who will stand by me
When it's tough, she won't run
She will always be right there for me

Sunny days, everybody loves them
Tell me, baby, can you stand the rain?
Storms will come, this we know for sure
Can you stand the rain?

Can you stand the rain?
Can you stand the rain?

No pressure
No pressure from me, baby
'Cause I want you
And I need you
And I love you
Will you be there for me?

Come on, baby, let's go get wet

Can you stand the rain?
Can you stand the rain?
Can you stand the rain?
