

Fiesta

Johnny Gill

Señorita (Señorita)
So bonita (So bonita)
Body language is what I'm speakin' to you, mamacita
We got margaritas in our hands
While we salsa in the sand
Got me kissin' on your tan
Makin' love in foreign lands
Yeah-yeah, yeah-yeah

You leave me speechless
Speakin' no English when I am close to you
If you'll be my chica
I'll sing in Spanish just like Enrique do
Don't wanna sound thirsty but you got that aqua
Girl, let me swim to you
Baby, you so caliente
You makin' me say

She's so crazy, yeah (Crazy)
That's what I like (That's what I like)
She wants to make love in Cuba
So I booked the flights, yeah (I booked the flights)
She's so loco (Loco)
She knows that's my type (That's just my type)
And it don't get no better (No)
'Cause whenever we make love (Whoa)
It's fiesta

Fiesta, fiesta
Fiesta, fiesta
Fiesta, fiesta
Fiesta, fiesta
Oh-whoa
Fiesta, fiesta
Oh-whoa
Fiesta, fiesta
Oh-whoa
Fiesta, fiesta
Oh-whoa
Fiesta, fiesta

You make me wanna la bamba (You make me wanna la bamba)
You get me hot like a sauna (You get me hot like a sauna)
You make me wanna take you back home
Just so you can meet my mama (So you can meet my mama)
The way you move is so hypnotic
And your look is so exotic
You're gonna have what's in my pocket
Even if I want to, I can't stop it
Yeah-yeah, yeah-yeah

You leave me speechless
Speakin' no English when I am close to you
If you'll be my chica
I'll sing in Spanish just like Enrique do
Don't wanna sound thirsty but you got that aqua
