

My Love

Johnny Gill

And when the cupboard's bare
There's always something there with my love
It's understood, everywhere with my love
And my love does it good

And when I go away
I know my heart can stay with my love
It's understood, everywhere with my love
And my love does it good, woah...
My love does it good

Oh, my love, oh, my love
Only my love holds the only key
Oh, my love, oh, my love
Only my love does it good

Don't ever ask me why
I never say goodbye to my love
It's understood
Everywhere with my love
My love does it good, woah...
My love does it good

Oh, my love, oh, my love
Only my love holds the only key
Oh, my love, oh, my love
Only my love does it good to me
