

# My, My, My

Johnny Gill

My, My, My  
Listen  
Put on your red dress  
And slip on your high heels  
And some of that sweet perfume  
It sure smells good on you  
Slide on your lipstick  
Let all your hair down  
Cause Baby when you get through  
I'm going to show off you  
Tonight will be a special night  
No matter where we go  
And I'm so proud to be with you  
I just wanna let you know

You got me saying  
My, My, My  
My, My, My  
You sure look good tonight  
And you're so damn fine  
I wanna say  
My, My, My  
My, My, My  
You sure look good tonight

After all this time  
Slip on your nightgown  
Step into our bedroom  
First I wanna take sometime  
I just wanna look at you  
Girl you are so fine  
I can't believe my eyes  
And all that I wanna do  
I wanna make love to you  
Tonight will be a special night  
Of many more to come  
And I'm so proud to be with you  
So proud to share you're love

My, My, My  
My, My, My  
My, My, My  
My, My, My  
Make love all night long  
Make love 'til the break of dawn  
Come on  
Come on  
Sweet little thing I need you

And I'm so proud to be with you  
So proud to share your love  
My, My, My  
My, My, My  
You sure look good tonight

I wanna love you in every way  
I wanna love you in every way

Let me  
Let me  
Show you how sweet it's gonna be  
I wanna show you things that you  
Never, ever, ever seen before  
Put your nightgown on  
Let your hair hang low  
Step into our room  
I'm in the mood to love you all night long

My, My, My  
My, My, My  
My, My, My  
My, My, My  
My, My, My  
My, My, My  
My, My, My  
My, My, My  
My, My, My  
My, My, My  
My, My, My  
My, My, My
