

# Only One

Johnny Gill

I know that I'm not perfect  
And yes, I'm still a work in progress, that's for sure  
But I promise that you won't regret it  
Loving me through the good and the bad, no, you won't

Still remember those times when you were on my line  
And I came through for you  
What can I do for you?  
So I can prove to you that you don't have to worry  
That I'm being loyal and more

My only one found out she wasn't the only one (Yeah)  
So now I gotta show her she's the only one for me (Yeah, yeah)  
No, I don't wanna turn into the lonely one (Yeah)  
So now I gotta show her she's the only one for me (Yeah, yeah)  
How do I, how do I make her fall in love? (Yeah)  
I guess I gotta show her she's the only one for me (Yeah, yeah)  
My only one found out she wasn't the only one (Yeah)  
So now I gotta show her she's the only one for me (Yeah, yeah)

I know I'm not a needful man (Yeah)  
For the years you had entrusted me with your soul (Your soul, your soul)  
You say that I can't change, but I can  
I have no intentions on letting you go

Still remember those times when you were on my line  
And I came through for you  
What can I do for you?  
So I can prove to you that you don't have to worry  
That I'm being loyal and more

My only one found out she wasn't the only one (Yeah)  
So now I gotta show her she's the only one for me (Yeah, yeah)  
No, I don't wanna turn into the lonely one (Yeah)  
So now I gotta show her she's the only one for me (Yeah, yeah)  
How do I, how do I make her fall in love? (Yeah)  
I guess I gotta show her she's the only one for me (Yeah, yeah)  
My only one found out she wasn't the only one (Yeah)  
So now I gotta show her she's the only one for me (Yeah, yeah)

I remember those times  
When I had you sayin'  
"You ain't gotta worry" (You ain't gotta worry)  
Oh

My only one found out she wasn't the only one (Yeah, only)  
So now I gotta show her she's the only one for me (Yeah, yeah, oh-whoa)  
No, I don't wanna turn into the lonely one (Yeah)  
So now I gotta show her she's the only one for me (Yeah, yeah)  
How do I, how do I make her fall in love? (Yeah, yeah)  
I guess I gotta show her she's the only one for me (Yeah, yeah, yeah)  
My only one found out she wasn't the only one (Yeah, the only one)  
So now I gotta show her she's the only one for me (Yeah, yeah, oh)

You don't have to worry  
You don't have to worry, my darling, yeah  
You don't have to worry, my baby
