

# Provocative

Johnny Gill

L.A. & Face  
Daryl & Kayo  
Boyz II Men  
Jam & Lewis  
And I'm J.G  
Low key '93  
Master suite in effect  
Are you ready baby?  
My my my  
Welcome to my master suite  
Rub you the right way  
Go where no man has gone before

When I see that you think about When I say love, you think I'm in deep  
Asking silly question purposely  
You your imagination  
I just gotta stimulate your mind  
To give your body bliss  
Let's get provocative

If you like it, baby, let me do it right  
Girl you've got the flavor I wanna taste all night  
You're a lucky lady, I've got so much to give  
If you want it, baby, let's get provocative

Pay attention and cooperate  
Let me teach you how to rub you the right way  
And that's it! I hit the magic spot!  
Got your knees knockin' every time I move around  
I want to hear your voice  
Whispering in my ear  
Let's get provocative  
(Yeah)

If you like it, baby, let me do it right  
Girl you've got the flavor I wanna taste all night  
You're a lucky lady, I've got so much to give  
If you want it, baby, let's get provocative

If you like it, baby, let me do it right  
Girl you've got the flavor I wanna taste all night  
You're a lucky lady, I've got so much to give  
If you want it, baby, let's get provocative

Break down...  
Now that you've been to the master suite  
Anything that you want is on me  
My treat  
So take off your red dress  
Leave on your high heels

Is it good to you  
I wanna hear your voice  
Whisper in my ear  
"Baby you're my choice"

I just like to stimulate your mind

Give your body bliss  
Let's get provocative  
Come on

If you like it, baby, let me do it right  
Girl you've got the flavor I wanna taste all night  
You're a lucky lady, I've got so much to give  
If you want it, baby, let's get provocative

If you like it, baby, let me do it right  
Girl you've got the flavor I wanna taste all night  
You're a lucky lady, I've got so much to give  
If you want it, baby, let's get provocative

Now a few words from our sponsor

"Hi, it's Mattie from California. Will you marry me, Johnny?"

"Johnny, call me back!"

"Johnny, this is [?]"

"Hi Johnny, it's Kimberly one of your biggest fans"

"Hi Johnny, this is Angie from Dallas and I want you to rub me the right way  
"

"Hi Johnny, this is Patricia, and..."

We're sorry, standby, we'll get Johnny back in 5-4-3-2...

If you want it  
If you need me  
I'll give it to you, girl  
Come on

If you like it, baby, let me do it right  
Girl you've got the flavor I wanna taste all night  
You're a lucky lady, I've got so much to give  
If you want it, baby, let's get provocative

Tell me how you want it  
If you want it baby  
How does it feel  
Let me do it  
Give you want you want  
Let me give it to you  
What you need  
If you want it  
Baby please please please please please please

If you like it, baby, let me do it right  
Girl you've got the flavor I wanna taste all night  
You're a lucky lady, I've got so much to give  
If you want it, baby, let's get provocative
