

## What Is This

Johnny Gill

What's your name girl and  
what's this thing baby  
Don't even act like your suprised  
I see it when i look in your eyes  
And i know you  
Know when too  
So let's not play this game  
of pickup moves, baby  
Let's take our time girl  
No need to rush and i wanna see everything
