

Just Walk a Little Closer

Johnny Horton

Just walk a little closer closer to me
Won't you be my darling won't you hear my plea
Don't you know I love you with all my heart
Just walk a little closer say we'll never part

My darling won't you make this vow
Say that you love me say it right now
So long my dear I've pleaded just to be with you
So walk a little closer and make my dreams come true

Just walk a little closer closer to me
Tell me that you love me never set me free
Now's the time to tell me all that you should
Just walk a little closer tell me now for good

You know I want you by my side
I've got to have you don't run and hide
Let me take you in my arms please don't say we're through
Just walk a little closer and make my dreams come true
