

## Fool For Love

Johnny Lee

Are you chasin' after something  
That you can't control?  
Are you runnin' 'round in circles  
While the trail gets cold?  
Are you lookin' out for something  
That you just can't see?  
Hey, tell me, everybody  
Are you just like me?

Are you a fool for love?  
Are you a fool for love?  
Are you a fool for love?  
Hey, hey, hey, hey

Are you runnin' on the lucky side  
Just squeezin' through?  
Are you prayin' that the sky  
Ain't gonna fall on you?  
Are you balancin' the maybe's  
With the bound to be's?  
Hey, tell me, everybody  
Are you just like me?

Are you a fool for love?  
Are you a fool for love?  
Are you a fool for love?  
Hey, hey, hey, hey

Oh, do you ever wonder late at night  
If the one you've been dreamin' of  
Will ever hold you tight?

Are you a fool for love?  
Are you a fool for love?  
Are you a fool for love?  
Are you a fool for love?  
Are you a fool for love?  
Are you a fool for love?  
Are you a fool for love?  
Are you a fool for love?
