

It's Only Tears

Johnny Logan

it's only tears we cry
it's only words that lie
if you're ever gonna leave me
better break my tonight

it's only tears we cry
when we know we have to say goodbye
if you're ever gonna leave me
better leave.... me tonight

stop!
you're gonna hurt me
if you try to stay

go!
find a new love
it's better that way

stop!
looking at me
before it's too late

don't you know our sorrow
will be there tomorrow
love is not a game we can play:

it's only tears we cry
it's only words that lie
if you're ever gonna leave me
better break my heart tonight

it's only tears we cry
when we know we have to say goodbye
if you're ever gonna leave me
better leave me tonight

stop!
i don't believe you
i know you won't stay

go!
find another
who needs you that way

stop!
chasing rainbows
before it's too late.

don't you know our sorrow
will be here tomorrow
love is not a game we can play:

If you ever need me I'll be there
I swear !!

it's only tears we cry
it's only words that lie

if you're ever gonna leave me
better break my heart tonight

it's only tears we cry
when we know we have to say goodbye
if you're ever gonna leave me
better leave ... me... tonight
