

# Receiver

Johnny Marr

(Do you receive)  
(Do you receive)

Trancer  
Are you receiving  
Do you hear me?  
Hear me calling today  
Answer  
What you revealing  
What you concealing  
Can I call you today?

Everybody's the receiver  
Into the mystic  
And we accelerate

Everybody, is a deceiver  
You're the misfit  
Is it calling today?  
Up to the limit  
Minute by minute  
Transmission, hear it calling your name

Girl power  
Here comes the hour  
Coming fast, coming fast, coming fast

Do you receive?  
Come over  
Decode  
Do you receive  
Come over  
Decode  
Do you receive

Everybody, is receiving  
I'm a freak for the impossible  
Hey somebody  
What you believe in?  
See me coming  
Calling host to host  
Until the limit  
Minute by minute  
Coming fast, coming fast, coming fast

Do you receive?  
Come over  
Decode  
Do you receive  
Come over  
Decode  
Do you receive

So now the time has come  
Our vision blazed and burned  
And every night we play  
Trance and illuminate

A revelation comes  
Imagination burned  
Our senses activate  
Here comes your other world

Come over, come over  
Decode  
Come over, come over  
Decode  
(Do you receive?)
