

The Answer

Johnny Marr

You want the answer to everything
Now you are all mine

You ran away
Vanished and then
Put your mama
In them lows

Don't you look back
Take your faith back

Try again
And fail again
Get your moment
In the sun

Don't you go back
Take my faith back

Thought you got it this time
No, I don't need love (I don't, I don't)
Got the answer this time
Until tomorrow (I don't, I don't)

Just came round to kill time
Thought I'd watch the show (I don't, I don't)
Got the answer this time
Until tomorrow

I told you, mama
I'm outta here again
All set to begin
I am gone

Won't you come back?
Take your faith back (I don't, I don't)
Don't you look back
Take your faith back (I don't, I don't)

Got the answer this time
Until tomorrow (I don't)

I am the answer to everything
Now you are all mine
