

All That Is Missing

Johnny Mathis

I talk to you but it's not the same
As touching' you
And every time you whisper my name
I wanna run to you

We'll be together
It won't be long, it won't be long
But it feels like forever
And it's hard to be strong

Baby, 'cause I'm missing you now
And it's drivin' me crazy
How I'm needin' you, baby

I'm missing you now
Can't wait till I'm alone with you
To show you how I'm missing you now

Wishin' you were here by my side
Is all that I can do
My arms around my pillow at night
They should be holdin' you

I thought I was stronger
How could I know, how could I know
I can't take this much longer
It's so hard on my soul

Baby, 'cause I'm missing you now
And it's drivin' me crazy
How I'm needin' you, baby

I'm missing you now
Can't wait till I'm alone with you
To show you how I'm missing you now

Baby, I just can't wait till I see your face
Chase away this loneliness inside
When you're close to my heart, right here in my arms
Then and only then, will I be satisfied
(I'm missing you now)

We'll be together
It won't be long, it won't be long
But it feels like forever
And it's hard to be strong

Baby, 'cause I'm missing you now
And it's drivin' me crazy
How I'm needin' you, baby

I'm missing you now
Can't wait till I'm alone with you
To show you how I'm missing you now

Missing you now
And it's drivin' me crazy

How I'm needin' you, baby

I'm missing you now
Can't wait till I'm alone with you
To show you how I'm missing you now

Missing you now
And it's drivin' me crazy
How I'm needin' you, baby
