

# Here We Go Again

Johnny Mathis

I've got this Love condition  
But I don't have a cure  
Head over heels attention  
Don't matter what I'm looking for  
Got my dancing shoes  
Wishing me some moves  
But I got nothing to lose  
And I'm looking at you

Maybe I've got you  
Maybe I don't  
Maybe I'll love you  
Maybe I wont  
And I am never satisfied begging for more  
So here we go again  
Here we go

This ain't no competition  
In fact I've got plenty of room  
We got that real connection  
But love your friend and I do too  
Got my dancing shoes  
Wishing me some moves  
But I got nothing to lose  
And I'm looking at you

Maybe I've got you  
Maybe I don't  
Maybe I'll love you  
Maybe I wont  
And I am never satisfied begging for more  
So here we go again  
Here we go

Cause I fall for anything  
Anything that moves  
Anything that moves in my direction  
Yeah I fall for anyone  
Anyone who grooves  
Anyone who grooves to my affection  
Cause I want you  
And you, and you, and you  
You  
And you, you, you, you  
You  
And you, and you, and you  
You  
And you

Maybe I've got you  
Maybe I don't  
Maybe I'll love you  
Maybe I wont  
And I am never satisfied begging for more  
So here we go again  
Here we go  
Maybe I've got you

Maybe I don't  
Maybe I'll love you  
Maybe I wont  
And I am never satisfied begging for more  
So here we go again  
Here we go
