

## On Broadway

Johnny Mathis

They say the neon lights are bright on Broadway  
They say there's always magic in the air  
But when you're walking down that street  
And you ain't had enough to eat  
The glitter rubs right off your feet and you're nowhere

They say the women treat you right on Broadway  
But looking at them just gives me the blues  
'Cause how you gonna make some time  
When all you got is one thin dime  
And one thin dime won't even shine your shoes

They say that I won't last too long on Broadway  
I'll catch a Greyhound bus for home, they all say  
But they're dead wrong, I know they are  
I may be singing in this bar  
But I won't quit till I'm a star on Broadway

They're all wrong, I know they are  
I may be singing in this bar  
But I won't quit till I'm a star on Broadway

They say the neon lights are bright on Broadway  
They say there's always magic in the air  
They say the neon lights are bright on Broadway
