

While You're Young

Johnny Mathis

While you're young, my love
Take a chance, my love
Let your heart have a flingnight romance, my love
Wondrous dreams are yours
If you make them yours
While you're young all the world is yours

This golden season of a lifetime
You'll discover it was meant for lovers
While you're young, my love
Will you be my love
And I will love you
And I will love you
Till these precious days are only memories

And I'll love you
And I will love you
Till these precious days are only memories
