

You Do Something To Me

Johnny Mathis

You do something to me
Something deep inside
I'm hanging on the wire
For love I'll never find

You do something wonderful
Then chase it all away
Mixing my emotions
That throws me back again

Hanging on the wire, yeah
I'm waiting for the change
I'm dancing through the fire
Just to catch a flame an' feel real again

Hanging on the wire, yeah
Said I'm waiting for the change
I'm dancing through the fire
Just to catch a flame, an' feel real again

You do something to me
Somewhere deep inside
Hoping to get close to
A peace I cannot find

Dancing through the fire yeah
Just to catch a flame
Just to get close to
Just close enough to tell you that

You do something to me
Something deep inside
