You've Got a Friend

Johnny Mathis

When you're down and troubled And you need a helping hand And nothing, nothing is going right Close your eyes and think of me And soon I will be there To brighten up even your darkest night

You just call out my name And you know wherever I am I'll come running to see you again Winter, spring, summer or fall All you have to do is call And I'll be there You've got a friend

If the sky above you Grows dark and full of clouds And that old north wind begins to blow Keep you head together And call my name out loud Soon you'll hear me knocking at you door

You just call out my name And you know wherever I am I'll come running to see you again Winter, spring, summer or fall All you have to do is call And I'll be there

Ain't it good to know that you've got a friend When people can be so cold They'll hurt you, and desert you And take your soul if you let them

You just call out my name And you know wherever I am I'll come running to see you again Winter, spring, summer or fall All you have to do is call And I'll be there You've got a friend You've got a friend

Ain't it good to know you've got a friend Ain't it good to know you've got a friend
