

# Conversation While Dancing

Johnny Mercer

Do you know what's groovy  
Have you seen the latest movie  
Should I try and tip ya

May I hip ya, yes I know

Do you know what's playin'  
Have you heard what folks are sayin'  
Should I try and sell ya

May I tell ya, yes I know

I can see, baby  
You're the kind of a chick who's sharp on top

Yes siree, baby  
But why are we talkin' this shop

Mop! Mop!

You're a solid sender  
And the band is some ear bender  
We could both jump steady

Are you ready, yes I know

Look-a-here, boy  
Look-a-where  
Look at that tenor man  
Yeah, ain't he a basher  
Well, look at that trombone man  
I believe he's a bout to flip his newt  
Yeah, but ain't he cute  
Zoot to boot  
Well, what's your opinion of this band  
This band, Gran-n-n-n-n-d!

I can see, baby  
You're the kind of a gent who's sharp on top

Yes sirree, baby  
But why're we talkin' this shop

Mop, Mop!

You're a solid sender  
And the band is some ear bender  
We could both jump steady

Are you ready

Yes I know  
Baby, yes I know  
Baby, yes I know
