

## Ooh What a Feeling

Johnny Nash

I know you're nothing but a flower  
On a hill from a flower shop  
But you're something to me  
You're my heart's desire

Someone kind has planted  
You on this sun shiny  
Hill green as you can  
Imagine perfect for you

Flower flower  
Why are you so  
Pretty (pretty)

Flower flower  
On a hill  
You are the  
Prettiest

Someone kind has planted  
You on this sun shiny  
Hill green as you can  
Imagine perfect for you

It's getting dark  
I have to go see  
You tomorrow
