

# What Kind Of Love Is This

Johnny Nash

What kind of love is this that makes me wanna jump and shout?  
I wanna know what kind of love is this that turns my heart inside out?  
It's that itchy-twitchy feelin' that I have inside  
Something overwhelming that I just can't hide  
I wanna know (oh, yeah) whoa, yeah (oh, yeah) whoa, tell me (oh, yeah)  
(What kind of love is this?)  
What kind of love is this?

What kind of love is this that haunts me every day?  
I wanna know what kind of love is this that makes me say the things I say?  
Well, I'm walkin' around and grinnin' with my head in the air  
The people think I'm crazy but I just don't care  
I wanna know (oh, yeah) whoa, yeah (oh, yeah) whoa, tell me (oh, yeah)  
(What kind of love is this?)  
What kind of love is this?

Well, I feel like a man in outer space  
I'm actin' like a psycho case  
Hey, girl, stop this feelin'  
Look at me, you've got me rockin' and a-reelin'!

Yeah, what kind of love is this, aw, that shakes me up so bad?  
I wanna know what kind of love is this?, yeah, my situation is sad  
Well, I just can't understand it, it just ain't real  
I know no one has ever felt the way I feel  
I wanna know (oh, yeah) whoa, yeah (oh, yeah) whoa, tell me (oh, yeah)  
(What kind of love is this?)  
What kind of love is this?

(What kind of love is this?)  
(What kind of love is this?)  
(What kind of love is this?)
