

# Flaws

Johnny Orlando

If I made a list of my flaws  
Well I'd be up right till the morning  
All of the things that I'm not gonna be  
I used to think I'd go to space  
But now I'm not sure that I'll make it  
It's hard to let somethings slip away from me

'Cause I get lost  
Thinkin' about all the things I have to be for you  
I get lost, 'cause

I know I'll never be perfect  
So I'm not even gonna try  
You see me smile on the surface  
But you only notice the highs  
And just 'cause you can't see me hurting  
It don't mean it's all black and white  
'Cause you see me smile on the surface  
Might look like paradise  
That's just life

If I made a list of my flaws  
I bet it looks like everyone else's  
We fill it right to the top  
When will we ever stop?  
Hope that I'm not being selfish  
And

I get lost  
Thinkin' about all the things I have to be for you  
I get lost, 'cause

I know I'll never be perfect  
So I'm not even gonna try  
You see me smile on the surface  
But you only notice the highs  
And just 'cause you can't see me hurting  
It don't mean it's all black and white  
'Cause you see me smile on the surface  
Might look like paradise  
That's just life

(Oh) I'm not so different from you  
(Oh) I'm just as broken as you

I know I'll never be perfect  
I'm not even gonna try  
You see me smile on the surface  
But you only notice the highs  
And just 'cause you can't see me hurting  
It don't mean it's all black and white  
'Cause you see me smile on the surface  
Might look like paradise  
That's just life
