

Piece Of My Heart

Johnny Orlando

Long distance testing me
You get the worst and the best of me
Phone calls and I can't sleep
Keep tearin' at the seams
We need a break 'cause I need relief
But I miss you holdin' me

You know me best from all of the midnight talks
The wannabe strangers, I don't wanna lose it all
The miles between us are just gonna make it hard
You know, you know

That I can't be with you
But it hurts to let you go
You'll always have a piece of my heart
No, I can't be without you
But I have to let you go
You'll always have a piece of my heart

You'll always have a piece of my heart
(You'll always have a piece of)
You'll always have a piece of my heart

They gon' break up and then
We'll see them try again
Maybe we're better as friends (better as friends)
Then I wake up at night
All alone, can't take the lights
Wish you were here by my side

You know me best from all of the midnight talks
The wannabe strangers, I don't wanna lose it all
The miles between us are just gonna make it hard
You know, you know

That I can't be with you
But it hurts to let you go
You'll always have a piece of my heart
No, I can't be without you
But I have to let you go
You'll always have a piece of my heart

You'll always have a piece of my heart
(You'll always have a piece of)
You'll always have a piece of my heart

Long distance tested me
You kept the worst and the best of me
Keep tearin' at the seams
Need a break 'cause I need relief

That I can't be with you
But it hurts to let you go
You'll always have a piece of my heart
No, I can't be without you
But I have to let you go
You'll always have a piece of my heart

You'll always have a piece of my heart
(You'll always have a piece of)
You'll always have a piece of my heart
