La-la-la-la  
La-la-la-la  
La-la-la-la  
La-la-la-la

(La-la-la-la) It's outrageous, I'll just say it  
(La-la-la-la) She's a t-t-t-t-t-temptation  
(La-la-la-la) It's contagious, can't contain this  
(La-la-la-la) She's a t-t-t-t-t-temptation

I can't pretend I've never thought about it (About it)  
But I've been steering clear of your surroundings  
'Cause I know the guy that you've been going out with  
I guess that we'll just have to work around him

But fuck if he knows  
'Cause I want you  
I bet you're taking me home  
I'm onto you

(La-la-la-la) It's outrageous, I'll just say it  
(La-la-la-la) She's a t-t-t-t-t-temptation  
(La-la-la-la) It's contagious, can't contain this  
(La-la-la-la) She's a t-t-t-t-t-temptation

(Oh) Babe, I know I'm your type  
Me and your ex look alike, but  
I'm the one you'll keep (Keep)  
You scare the shit outta me  
Oh, how you get what you please  
Oh, yeah (So, so)

But fuck if he knows (But fuck if he knows)  
'Cause I want you  
I bet you're taking me home  
I'm onto you (I'm onto you)

It's outrageous, I'll just say it  
(La-la-la-la) She's a t-t-t-t-t-temptation  
(Onto you) It's contagious, can't contain this  
(La-la-la-la) She's a t-t-t-t-t-temptation  
(Onto you, oh-oh) It's outrageous, I'll just say it  
(La-la-la-la) She's a t-t-t-t-t-temptation (Oh-oh)  
(La-la-la-la) It's contagious, can't contain this (Oh-oh)  
(La-la-la-la) She's a t-t-t-t-t-temptation
