

What If (I Told You I Like You)

Johnny Orlando

Let's talk about all the things that we shouldn't talk about
Those kind of words that will change all the things we talk about
Tell me do you ever think of us?
Should I ask some more or should I stop?

What if our tomorrow means that we are here together?
What if we are taking chances just to lose it all?
Am I really crazy thinking 'bout this all together?
What if I've been missing,
The writing on the wall?

What if I say

I know, you know
What if I told you I like you?
We stay, we go

What if I told you I like you?
I know, you know
What if I told you I like you?

We stay, we go
What if I told you I like you?

What if I told you I like you?

What if I told you I like you?

I hear everything they saying, they saying 'bout us
It's not about right or wrong, it's about what we love
Would it be simple or would it be too complicated?
Should I keep going or maybe it's better to stop?

What if our tomorrow means that we are here together?
What if we are taking chances just to lose it all?
Am I really crazy thinking 'bout this all together?
What if I've been missing,
The writing on the wall?

What if I say

I know, you know
What if I told you I like you?
We stay, we go

What if I told you I like you?
I know, you know
What if I told you I like you?

We stay, we go
What if I told you I like you?

What if I told you I like you?

What if I say,
I know, you know
What if I told you I like you?

We stay, we go

What if I told you I like you?

I know you know

What if I told you I like you?

We stay, we go

What if I told you I like you?

Yeah, yeah, ooh

I like you, ooh yea

What if I told you I like you?

Yeah, ooh

(What if I told you I like you?)

(We stay, we go)

What if I told you I like you?

Let's talk about all the things that we shouldn't talk about
