

## A-11

### Johnny Paycheck

I just came in here from force of habit  
I don't intend to spend too much time in here  
But I saw you heading for the jukebox  
And if you play A-11, there'll be tears

I don't know you from Adam  
But if you're gonna play the jukebox  
Please don't play A-11  
Oh, this used to be our favorite nightspot

And when she was here, it was heaven  
It was here; she told me that she loved me  
And she always played A-11  
I don't know you from Adam

But if you're gonna play the jukebox  
Please don't play A-11  
Please don't play A-11
