Don't Take Her She's All I Got (1971)

Well I said friend, don't take her she's all I got

Please don't take her love away from me

I'm begging to ya, friend don't take her she's all I got

She's everything in life I'll ever need

She is life when I want to live

She's everything we need in life that life can give

She's my woman when I need a drink

She's the first thought in my mind each time I try to think

Well I said friend, don't take her she's all I got

Please don't take her love away from me

I'm begging to ya, friend don't take her she's all I got

She's everything in life I'll ever need

She's my fingers when I want to feel

She's the only thing in life to me that's really real

She is love; she's all the love I know

She could kiss the ground in the wintertime and make the flowers grow

Well I said friend, don't take her she's all I got

Please don't take her love away from me

I'm begging to ya, friend don't take her she's all I got

She's everything in life I'll ever need

Hear me talking to ya friend, don't take her she's all I got

Friend, don't take her she's all I got

Said friend, don't take her she's all I got

Hear me talking to ya friend, don't take her she's all I got
