

I Don't Know What Keeps Us Together

Johnny Paycheck

We haven't even said hello for weeks now
One day in this house seems like forever
With us there's no such thing as the ties that bind
And I don't know what keeps us together

Maybe it's the thought of yesterday
Hoping we might regain the dreams that slipped away
Just between the both of us we know they're gone forever
And I don't know what keeps us together

Maybe it's the thought of yesterday
Hoping we might regain the dreams that slipped away
Just between the both of us we know they're gone forever
And I don't know what keeps us together
