

## I Feel Like Crying

Johnny Paycheck

I saw you darlin' in town last night  
You and your new love were doing alright  
I stood there starin' in such surprise  
I couldn't hardly believe my own eyes

I feel like cryin' my heart is breakin'  
Cause you were makin' a fool out of me  
No use denyin' I still love you  
I feel like cryin' what else can I do

I feel like cryin' my heart is breakin'  
Cause you were makin' a fool out of me  
No use denyin' I still love you  
I feel like cryin' what else can I do  
I feel like cryin' what else can I do
