

# It's Only A Matter Of Wine

Johnny Paycheck

They're stackin' the chairs on the table again they block down  
the Budwiser sign  
Soon they'll be callin' a taxi for me it's only a matter of wine  
e  
Yes it's only a matter of wine till I'm something that words can't  
divine  
Yes she'll soon be out of my mind and it's only a matter of wine  
e

Outside a big truck is washing the street leaving our dream world  
behind  
While inside I'm washing your mem'ry away cause it's only a matter  
of wine  
Yes it's only a matter of wine...  
Yes it's only a matter of wine
