

## Julie

Johnny Paycheck

The boys are wanting me to go out drinking  
And leave my Julie at home  
My Julie she don't mind my drinking  
But Julie don't like to stay alone

So what's wrong staying home with Julie  
Julie's always been so good to me  
What's wrong staying home with Julie  
Julie's has always stayed at home with me

Julie may be a bit old fashioned  
Cause she don't wear all those fancy clothes  
But at least they can't say bad things about her  
And I'm proud of my Julie wherever we may go

So what's wrong staying home with Julie  
Julie's always been so good to me  
What's wrong staying home with Julie  
Julie's has always stayed at home with me  
Yes Julie's has always stayed at home with me
