

## Loving Arms

Johnny Paycheck

If you could see me now  
The one who said that he'd rather roam  
The one who said he'd rather be alone  
If you could only see me now

If you could hold me now  
Just for a moment if I could really make you mine  
Just for a while turn back the hands of time  
If I could only hold you now

But I've been too long in the wind too long in the rain  
Taking any comforts that I can  
Looking back and longing for the freedom of my chains  
Laying in your lovin' arms again

If you could hear me now  
Singing somewhere through the lonely night  
Dreaming of the arms that held me tight  
If you could only hear me now

But I've been too long in the wind too long in the rain  
Taking any comforts that I can  
Looking back and longing for the freedom of my chains  
Laying in your lovin' arms again

I can almost feel your lovin' arms again...
