

## Mainline

Johnny Paycheck

Baby let me be your sidetrack  
While your mainline's gone from home  
Baby let me be your sidetrack  
While your mainline's gone from home  
You can bank on me baby, I'll get out of the way  
If old mainline eases back home

Baby let me feed you cornbread  
Let old mainline buy the steak  
Baby let me feed you cornbread  
Let old mainline supply the steak  
Well I can ease your hunger pains  
If I can eat off of mainline's plate

Baby let me come and see you  
Drink liquor from old mainline's bar  
Baby let me come and see you  
Drink liquor from old mainline's bar  
All you'll gonna see is feet and dust  
If I see old mainline's car

If you think about it baby  
You know I ain't asking too much  
If you think about it baby  
You know I ain't asking too much  
While old mainline's driving them Cadillacs  
I'm settling for his old truck

Baby let me be your sidetrack  
While your mainline's gone from home
