

# On The Sunny Side Of The Mountain

Johnny Paycheck

Don't forget me little darling while I'm growing old and gray  
Just a little thought before I'm going far away  
I'll be waiting on the hillside where the wild red roses grow  
On the sunny side of the mountains where the rippling waters flow

Don't forget about those years we courted many years ago  
Don't forget about those promises you gave me and so  
Been so long dear since I've seen you but still my love lingers on  
Don't forget me little darling though our love affair seems gone

Now tell me darling in your letters do you ever think about me  
Hell I've wondered little darling, wondered where you can be  
I'll be waiting on the hillside wondering when you're gonna call  
On the sunny side of the mountain where the rippling waters fall

Oh where oh where my darling cannot find you hope you'll tell me where  
Tell me if your heart aches, tell me [?]  
Just in case you cannot find me I'll be waiting here for your call  
On the sunny side of the mountain where the rippling waters fall  
Yeah on the sunny side of the mountain where the rippling waters fall
