Spread It Around

Johnny Paycheck

If you woke up this morning on the right side of the bed
That's a good feeling spread it around
If you can't keep from laughing at something someone say
That's a good saying spread it around

You'll find that happiness goes if you let it
Feels good the further it goes so go spread it
If you'll find the way to make sunshine the whole world should know
Tell 'em about it spread it around

If you'll hand it to somebody and help him when he's down
Tell him some good news spread it around
Sing a little song with kindness love is a happy sound
Stand up and shout it spread it around

You'll find that happiness goes if you let it...
I said tell 'em about it spread it around
Spread it around
