

# Cold Water

Johnny Rain

Can't wait to come home to you  
Just to see your beautiful face  
I'm almost there girl  
Don't you worry  
It's time for me to put you in your place  
Right up under me  
Can't wait to go under  
Baby I just want a taste  
I'll lick it up, eat it up  
Don't gotta fight  
Lay back  
Let me take your panties off  
I got the ice

I'ma have you wet  
Cold water, water, water  
I'ma have you wet  
Cold water, water, water  
I'ma have you wet  
Cold water, water, water  
I'ma have you wet  
Cold water  
I'ma have you wet girl

Put your legs around my waist  
Now I got your back against the wall  
While I'm kissing on your neck  
So deep in your body babe  
The expressions on your face  
Ooh girl they tell it all  
Now you're begging me to go deeper  
Scratching on my back  
Screaming to the ceiling  
Fuck the neighbors if they hear us

I'ma have you wet  
Cold water, water, water  
I'ma have you wet  
Cold water, water, water  
I'ma have you wet  
Cold water, water, water  
I'ma have you wet  
Cold water  
I'ma have you wet girl

(I'ma have you wet)  
(I'ma have you wet)  
(I'ma have you wet)  
(I'ma have you wet)

I'm just tryna make  
Your pussy scream my name  
You feel it in your tummy  
I'm in it when you're cumming  
I lick it with my toungue and  
And I don't chase but baby run it  
For me now

(Yeah)  
And I know what you want babe  
(Head)  
And you know how I like it  
(Wet)  
Yeah you know how I like it  
GIrl don't try to fight it  
I got you screaming  
Bite it, take it, show me how  
RIde it baby, throw me down  
High until we know the clouds  
Inhale  
Do it slowly now  
Smoke, Drink, Try a little  
Ohh baby  
I promise I'll do all the things you like  
Keep that  
Your waterfall, is all I drink tonight

All you gotta do is say yes  
Don't deny what you feel  
I know you like it baby  
That's where that ice can take it  
All you gotta do is say yes  
Don't deny what you feel  
I know you like it baby  
That's where that ice can take it  
(I'ma have you wet)
