Johnny Rain

Exhale  
Ooo ooo  
Ooo ooo  
Ooo ooo  
Ooo  
Ooo

I'm so fucked up  
Faded, smokin and you're chokin  
And you're too gone layin  
Bring your body closer that's an order  
I want you, I need you  
You like it when it's see through, yeah me too

All these fuckin white girls at the party  
On that fuckin white girl at the party  
My brother mel with a chick named solanji  
When I puff puff pass to this bitch gettin naughty  
It ain't nothin that she won't do  
She got a plan it's a lot of girls for it  
One said 'I got sumn for just you'  
I said 'damn if you got it girl show it'

Pour it let this liquor drip all over your body  
Baby your lips, my tongue  
Sex, love, and rock and roll fills the air  
So I take a deep breath and hold it in  
Your bodys my song and I'm goin in  
Til the show begins  
Now you can

Exhale  
Ooo ooo  
Ooo ooo  
Ooo ooo  
Ooo  
Ooo
