Johnny Rain

I've been watching you for quite a while, yeah
And I'm infatuated by your style
You make a nigga really want you baby
I don't care if you have a man
This'll only be one night
I really hope you understand me
You're never gonna be my wife now
Closer, throw your clothes on the sofa
One time and it's over
So I ain't tryna get to know ya baby

Cause I'm fuckin you tonight (fuckin fuckin)
Ain't no attachments (fuckin fuckin)
There's no distractions (fuckin fuckin)
We can't be friends (fuckin fuckin)
If we can't be nothing after (fuckin fuckin)
The way that it ends is such a terrible chapter (fuckin fuckin)
So I'm fuckin you tonight (fuckin fuckin)
Ain't no attachments (fuckin fuckin)
There's no distractions (fuckin fuckin)
I'll never love you baby (fuckin fuckin)
There's no point in askin (fuckin fuckin)
This is how I get over heartbreak of my past (fuckin fuckin)

And so it's on the the next one
Hard to move on when you always regret one
Gold diggin bitches that I call and I text
And it's all for the sex
They can fall when the next come.
And it's so sick
Ho's still gettin wet off my old shit
Yeah rap bring's more digits
So they ask me why I sing and I say more bitches

Cause I'm fuckin you tonight (fuckin fuckin)
Ain't no attachments (fuckin fuckin)
There's no distractions (fuckin fuckin)
We can't be friends (fuckin fuckin)
If we can't be nothing after (fuckin fuckin)
The way that it ends is such a terrible chapter (fuckin fuckin)
So I'm fuckin you tonight (fuckin fuckin)
Ain't no attachments (fuckin fuckin)
There's no distractions (fuckin fuckin)
I'll never love you baby (fuckin fuckin)
There's no point in askin (fuckin fuckin)
This is how I get over heartbreak of my past (fuckin fuckin)

I'm so tired of lovin baby, and getting none in return
Now its time to have some fun yeah yeah yea
Get too many chances baby, chances they didn't earn
And all you have is this one

Cause I'm fuckin you tonight (fuckin fuckin)
Ain't no attachments (fuckin fuckin)
There's no distractions (fuckin fuckin)
We can't be friends (fuckin fuckin)
If we can't be nothing after (fuckin fuckin)

The way that it ends is such a terrible chapter (fuckin fuckin)
So I'm fuckin you tonight (fuckin fuckin)
Ain't no attachments (fuckin fuckin)
There's no distractions (fuckin fuckin)
