

Head

Johnny Rain

Hello love
Welcome to the dungeon

You love what you get
I can feel it in your sweat
Your body is my private party
And one you won't forget
I'll get you wet

Chocolate with your lemonade
Chardonnay with your blow
God is what September made
I thought that you would know
Girl, you should know

All you've got to do is give me head

All of my purple life
I've been looking for a dame
That would wanna be my wife
That was my intention main

If we cannot make babies
Maybe we can make some time
Fuck so pretty, you and me
Erotic City come alive

All you've got to do is give me
All I want to do is give you head

One time for the dojah
Two times for the potion
Three, four, five for them hoes and
Baby, that's a three four
Fine, bring them hoes in
Put 'em high for a real bitch
Give 'em all the high and they still bitch
Baby girl, I can make you feel rich
Show 'em how to hit the kill switch
It's my birthday
We'll be high all night
I'mma do your body
I'mma fuck you right
All you've got to do is
Slow down, girl
I'mma show you how it need to go down girl
It's about to be a showdown, girl

Every time I comb my hair
Thoughts of you get in my eyes
You're a sinner, I don't care
I just want your creamy thighs

We can fuck until the dawn
Making love till cherry's gone
Erotic City, can't you see?
Fuck so pretty, you and me

All you've got to do is give me
All I want to do is touch your body

I want to
Touch your body
I want to watch you
Touch your body
Just
Touch your body
I want you
Touch your body
Touch your body
I want to watch you
Touch your body
I want to
Touch your body

How can I put this in a way
So as not to offend or unnerve?
But there's a rumor going all round
That you ain't been getting served
They say that you ain't you know what
In, baby, who knows how long?
It's hard for me to say what's right
When all I wanna do is wrong

I got the jizz from
A friend of yours named Jazzy Rae
She said you told her a fantasy
That made her want to play
Something about a little box
With a mirror and a tongue inside
What she told me then got me so hot
I knew that we could slide

I want to
Touch your body
I want to watch you
Touch your body
Just
Touch your body
I want you
Touch your body
Touch your body
I want to watch you
Touch your body
I want to
Touch your body
