

Bang bang
You shot me down
Bang bang
I hit the ground
Bang bang
That awful sound
Bang bang, bang bang
Bang bang
Our love was found
Bang bang
My baby shot me down

I was a lost stone rolling
Crying out my pain
Yeah, I was broken
And you're the one who saved me
Now I'm hoping
That crying out my pain
Wasn't all in vein
Have I gone insane?
Where was Mary, Mary?
Where was Lani, Lani?
Fuck that, I can't feel a thing
I can't feel a thing
I've got you
I've got you
You're my Isis
You're my Isis, yeah

Don't lay me down to die
I won't die, I won't die
It's my life
Will you save mine tonight?
Tonight, tonight

Pardon myself
Starting to question us
Hard to dispel
Pardon myself
Are we in hell?
Are we in hell?
Is this a prison?
I wouldn't know
I'm too forgiving
You never listen
I feel the difference

Girl, I am you, girl I am you
Girl, I am you
And you are I
I am you, girl, I am you
Girl, I am you
And you are I
And you are I

Don't lay me down to die
Don't let me die, it's my life

Will you save mine tonight?

Hallelujah

Hallelujah

Hallelujah

Hallelujah

Couldn't sleep last night because I know it's over between us

I'm not bitter anymore because I know that what we had was real

And if in some distance place in the future we see each other in our new lives

And I'll smile at you with joy and remember how we spent the summer beneath the trees

Learning through each other and growing in love
